To holders of ordinary shares

Dear Shareholder

Annual General Meeting: 15 July 2009

I am writing to you with details of our annual general meeting (“AGM”) to be held on Wednesday 15 July 2009 at 9.30am at The Merrion Hotel, Upper Merrion Street, Dublin 2, Ireland.

The directors regard the AGM as an important forum for engagement, particularly with private shareholders, and therefore welcome the opportunity to address any questions that shareholders may have. Shareholders who are unable to attend the AGM in person may submit questions beforehand via email in relation to the business of the meeting to agmquestions@experianplc.com or on the reply paid question card attached to the proxy form. All questions will be considered and, if appropriate, addressed at the AGM, via Experian’s website www.experianplc.com or on an individual basis, according to the nature of the question.

The notice of meeting and notes are set out on pages 2 to 5 of this document. An explanation of the resolutions being proposed at the meeting is set out on pages 6 and 7. Voting at the meeting (except for any procedural resolution which may be taken on a show of a hands) will be taken on a poll and I would encourage you to use your vote by attending in person, voting electronically online or completing and returning a proxy form. A postage stamp is not required if the proxy form is posted in the UK. Completed proxy forms should be returned as soon as possible but in any event to arrive by no later than 9.30am on Monday 13 July 2009. Shareholders wishing to vote electronically can do so online via our registrar’s website, www.sharevote.co.uk, or, if you have registered for the Shareview service, at www.experianshareview.com.

The return of a proxy form will not prevent you from attending the meeting in person and further details of how to vote are included in the ‘Information for shareholders’ section at the end of this document. Shareholders entitled to attend, speak and vote at the AGM may appoint a proxy to exercise their rights in their place. A shareholder may appoint more than one proxy, provided that each proxy is appointed to exercise the rights attached to different shares.

The directors have announced a second interim dividend of 13.25 US cents per ordinary share to be paid on 24 July 2009 to holders of ordinary shares in the Company on 26 June 2009. To ensure that certain UK shareholders have the same tax treatment on their dividend as if the Company was based in the UK, income access share arrangements have been put in place by the Company. The mechanics of the income access share arrangements make it impractical to submit a proposed dividend for approval at the AGM, but the board has no plans to announce any additional dividend in respect of the year ended 31 March 2009.

The directors consider that all the resolutions to be put to the AGM are in the best interests of the Company and its shareholders as a whole. Accordingly, the directors unanimously recommend that you vote in favour of all resolutions as they intend to do in respect of their own beneficial shareholdings.

Yours faithfully

John Peace
Chairman

1. The Company, pursuant to the Companies (Uncertificated Securities) (Jersey) Order 1999, specifies that only those persons entered on the register of members of the Company as at 6.00pm on 13 July 2009 shall be entitled to attend or vote at the meeting in respect of the number of shares registered in their name at that time. Changes to entries on the register of members after 6.00pm on 13 July 2009 shall be disregarded in determining the rights of any person to attend or vote at the meeting. If the meeting is adjourned to a time not more than 48 hours after the specified time applicable to the original meeting, that time will also apply for the purpose of determining the entitlement of members to attend and vote (and for the purpose of determining the number of votes they may cast) at the adjourned meeting. If, however, the meeting is adjourned for a longer period then, to be so entitled, members must be entered on the Company’s register of members at 6.00pm on the day two days prior to the adjourned meeting or, if the Company gives notice of the adjourned meeting, at the time specified in that notice.

2. The following documents will be available for inspection at the Company’s registered office (22 Grenville Street, St Helier, Jersey, JE4 8PX) and at the offices of Linklaters (One Silk Street, London, EC2Y 8HQ) during normal business hours on weekdays (Saturdays and public holidays excluded) up to and including the date of the annual general meeting and at the place of the annual general meeting from 9.15am on the day of the meeting until its conclusion:

(i) copies of the service contracts of the executive directors; and

(ii) copies of the letters of appointment of the non-executive directors.

3. A member entitled to attend and vote at the meeting may appoint a proxy or proxies to attend and, on a poll, to vote in his/her place. A proxy need not be a member of the Company. If a shareholder wants their proxy to speak on their behalf, they must appoint someone other than the Chairman as their proxy. A shareholder may appoint more than one proxy, provided that the total number of such proxies shall not exceed the total number of shares carrying an entitlement to attend such meeting held by such member. The appointment of a proxy will not preclude members entitled to attend and vote at the meeting (or at any adjournment(s) of the meeting) from doing so in person if they so wish.

4. A shareholder which is a corporation and which wishes to be represented at the meeting by a person with authority to speak and vote (a “corporate representative”) must appoint such a person by resolution of its directors or other governing body. A corporate representative has the same powers on behalf of the corporation he/she represents as that corporation could exercise if it was an individual member of the Company. Under Jersey law, corporations may only appoint one corporate representative. Corporations wishing to allocate their votes to more than one person should use the proxy arrangements.

5. Any person to whom this notice is sent who is a person nominated to enjoy information rights (a “nominated person”) may, under an agreement between him/her and the shareholder by whom he/she was nominated, have a right to be appointed (or to have someone else appointed) as a proxy for the meeting. If a nominated person has no such proxy appointment right or does not wish to exercise it, he/she may, under any such agreement, have a right to give instructions to the shareholder as to the exercise of voting rights.

6. The statement of the rights of shareholders in relation to the appointment of proxies in paragraph 3 above does not apply to nominated persons. The rights described in that paragraph can only be exercised by shareholders of the Company.

7. To be valid, an appointment of proxy must be returned using one of the following methods:

(i) by sending a proxy form (together, if appropriate, with any relevant power/authority) must be received (or, in the case of CREST members, by utilising the CREST electronic proxy appointment service, and in each case the appointment of proxy (together with any relevant power/authority) must be received (or,
in the case of the appointment of a proxy through CREST, retrieved by enquiry to CREST in the manner prescribed by CREST) by the Company’s registrar not later than 48 hours before the time appointed for holding the meeting.

8. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the meeting and any adjournment(s) of the meeting by using the procedures described in the CREST Manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf. In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a “CREST Proxy Instruction”) must be properly authenticated in accordance with Euroclear UK & Ireland Limited’s specifications and must contain the information required for such instructions, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the issuer’s agent (ID 7RA01) by the latest time(s) for receipt of proxy appointments specified in note 7 above. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer’s agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time, any change of instructions to proxies appointed through CREST should be communicated to the appointee by other means. CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his/her CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

9. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Article 34 of the Companies (Uncertificated Securities) (Jersey) Order 1999.

10. When two or more valid but differing proxy appointments are received in respect of the same share for use at the same meeting or poll, the one which is last received (regardless of its date or of the date of its signature) shall be treated as replacing and revoking the others as regards that share. If the Company is unable to determine which was last received, none of them shall be treated as valid in respect of that share.

11. As at 15 May 2009, the Company’s issued share capital consisted of 1,025,475,868 ordinary shares of 10 US cents each with voting rights and 20 deferred shares of 10 US cents each which have no voting rights. As at 15 May 2009, the Company did not hold any shares in treasury. Therefore, the total voting rights in the Company as at 15 May 2009 was 1,025,475,868.
Explanatory notes in relation to the resolutions to be proposed at the annual general meeting.

Resolutions 1 to 9 will each be proposed as an ordinary resolution that will be passed if more than 50% of the votes cast are in favour of the resolution. Resolutions 10 and 11 will each be proposed as a special resolution that will be passed if not less than two-thirds of the votes cast are in favour of the particular resolution.

Resolution 1
The directors are required to present to the meeting their report, the financial statements of the Company for the year ended 31 March 2009 and the report of the auditors.

Resolution 2
This resolution is an advisory shareholder vote on the report on directors’ remuneration.

Resolution 3
In accordance with the Company’s articles of association, any director appointed by the board since the date of the last annual general meeting shall retire at the next annual general meeting following their appointment. At this year’s annual general meeting, Chris Callero will retire and, being eligible, will offer himself for election.

Mr Callero’s biographical details are set out on page 45 of the Annual Report 2009.

Resolution 4 to 6
In accordance with the Company’s articles of association, each director is required to retire at the annual general meeting held in the third calendar year following the year in which he or she was elected or last re-elected by the Company. In order to ensure an orderly re-election process, John Peace, Laurence Danon and Sir Alan Rudge will each retire at this year’s annual general meeting and, being eligible, will offer themselves for re-election.

A formal evaluation of the performance of the board and its committees was conducted during the year ended 31 March 2009. Following the independent review last year, this year’s board and committee reviews were conducted ‘in-house’ and were led by the Chairman with the support of the Company Secretary. All directors completed an online questionnaire evaluating board processes, effectiveness and where improvements may be considered. In addition, the Chairman conducted an individual evaluation of each director and the Senior Independent Director conducted an evaluation of the Chairman. The board concluded that overall, the board and its committees continued to operate effectively and the board is satisfied that each director continues to contribute effectively and demonstrates commitment to the role. Accordingly, the board recommends each retiring director’s re-election.

Resolution 7
Auditors have to be appointed at each annual general meeting. PricewaterhouseCoopers LLP has advised of its willingness to stand for re-appointment as the auditor of the Company.

Resolution 8
The remuneration of the auditors must be fixed by the directors or the Company in general meeting or in such manner as the Company may determine in general meeting. The usual practice is for shareholders to resolve at the annual general meeting that the directors decide on such remuneration.

Resolution 9
The purpose of resolution 9 is to renew the directors’ power to allot shares.

The authority in paragraph (a) will allow the directors to allot new shares and other relevant securities up to an aggregate nominal value of US$34,182,528, which is equivalent to approximately one-third of the total issued ordinary share capital of the Company, exclusive of treasury shares, as at 15 May 2009.

In December 2008, the Association of British Insurers issued new guidance on the approval of allotments of shares in which it stated that, in addition to requests for authorisation to allot new shares in an amount up to one-third of the existing issued share capital of a company, it would regard as routine requests to authorise the allotment of a further one-third in connection with a rights issue. In light of this, the authority in paragraph (b) will allow the directors to allot new shares and other relevant securities only in connection with a rights issue up to an aggregate nominal value of US$68,365,057 (as reduced by the nominal amount of any relevant securities issued under the authority conferred by paragraph (a)), which is equivalent to approximately two-thirds of the total issued ordinary share capital of the Company, exclusive of treasury shares, as at 15 May 2009.

At 15 May 2009, the Company did not hold any shares in treasury.

There are no present plans to undertake a rights issue or to allot new shares other than in connection with employee share plans. The directors consider it desirable to have the maximum flexibility permitted by corporate governance guidelines to respond to market developments and to enable allotments to take place to finance business opportunities as they arise.
In the event that the authority in paragraph (b) is exercised, the directors intend to follow emerging best practice as regards its use (including the requirement for directors to stand for re-election) as issued by the Association of British Insurers.

The authorities sought in paragraphs (a) and (b) of resolution 9 are in substitution for all existing authorities, granted in the Company’s articles of association or otherwise, and without prejudice to previous allotments made under such existing authorities. The authorities will each expire at the conclusion of the annual general meeting to be held in 2010 or, if earlier, 14 October 2010.

Resolution 10
The purpose of resolution 10, which is conditional on the passing of resolution 9 and will be proposed as a special resolution, is to put in place a new authority for the directors to allot equity securities (as defined in the Company’s articles of association) wholly for cash without offering those equity securities pro rata to existing shareholders up to an aggregate nominal amount of US$5,127,379, representing 5% of the Company’s issued ordinary share capital as at 15 May 2009, the latest practical date before publication of this notice. In accordance with the guidelines issued by the Pre-Emption Group, the board confirms its intention that no more than 7.5% of the issued ordinary share capital of the Company will be issued for cash on a non-pre-emptive basis during any rolling three year period.

If granted, this authority will expire on the earlier of 14 October 2010 and the conclusion of the annual general meeting to be held in 2010.

The board considers that it is in the best interests of the Company and its shareholders generally that the Company should have the flexibility conferred by the resolution to make small issues of shares for cash as suitable opportunities arise.

It should be noted that the articles of association of the Company empower the directors to allot equity securities (as defined in the articles of association of the Company) wholly for cash in connection with a rights issue (as defined in the articles of association of the Company).

Resolution 11
The purpose of resolution 11, which will be proposed as a special resolution, is to put in place a new authority to enable the Company to make market purchases of up to 102,547,586 ordinary shares, being approximately 10% of the issued ordinary share capital as at 15 May 2009. The Company’s exercise of this authority is subject to the stated upper and lower limits on the price payable which reflect the requirements of the UK Listing Rules and the provisions of Article 57 of the Companies (Jersey) Law 1991. The Company will only exercise the power of purchase after careful consideration and in circumstances where, in the light of market conditions prevailing at the time, it is satisfied that it is in the best interests of the Company and of its shareholders generally to do so and where there would be a resulting increase in earnings per share.

The Companies (Jersey) Law 1991 permits the Company to hold any shares purchased by it as treasury shares as an alternative to immediately cancelling them. If the Company purchases any of its ordinary shares and holds them as treasury shares, the Company may sell these shares (or any of them) for cash, transfer these shares (or any of them) for the purposes of or pursuant to an employee share plan, cancel these shares (or any of them) or continue to hold them as treasury shares. Holding such shares as treasury shares gives the Company the ability to reissue them quickly and cost effectively and provides additional flexibility in the management of the Company’s capital base. No dividends will be paid on, and no voting rights will be exercised in respect of, shares held as treasury shares. If any ordinary shares are purchased by the Company, the directors intend to decide whether to cancel shares purchased pursuant to this authority or hold them as treasury shares based on the interests of the Company and its shareholders as a whole at the relevant time.

If granted, this authority will expire on the earlier of 14 October 2010 and the conclusion of the annual general meeting to be held in 2010.

As at 15 May 2009, there were options outstanding over 47,639,470 ordinary shares representing 4.65% of the issued ordinary share capital of the Company at that date. If the full authority being sought under resolution 11 was utilised, so reducing the issued ordinary share capital by an equivalent amount, the figure of 47,639,470 would represent 5.16% of the issued ordinary share capital at that date.
Time and location of the meeting
Registration will commence at 9.00am on Wednesday 15 July 2009 at The Merrion Hotel and the annual general meeting will start promptly at 9.30am. Tea, coffee and biscuits will be available prior to the meeting.

If you are planning to attend the annual general meeting, The Merrion Hotel is located in the centre of Dublin city. A map showing the location of the venue is set out on the back of your attendance card.

Attendance at the meeting
Please bring the attendance card attached to the proxy form with you if you attend the meeting. It will authenticate your right to attend, speak and vote and will speed up your admission to the meeting.

Shareholders with disabilities
There will be facilities for shareholders who are in a wheelchair. Anyone accompanying a shareholder in need of assistance will be admitted to the meeting as a guest of that shareholder.

Questions
If you are unable to attend the annual general meeting, but would like to ask a question, you can do so by using the shareholder question form attached to the proxy form or by submitting a question via email to agmquestions@experianplc.com.

Voting arrangements
Save for any procedural resolution which may be taken on a show of hands, each of the resolutions to be put to the annual general meeting will be taken on a poll rather than on a show of hands. The results of the poll will be announced via a regulatory information service as soon as practicable following the conclusion of the meeting and will also be published on the Company’s website at www.experianplc.com.

The Company has included on the proxy form a “Vote Withheld” option in order for shareholders to abstain on any particular resolution. However, it should be noted that a “Vote Withheld” is not a vote in law and will not be counted in the calculation of the proportion of votes “For” or “Against” the particular resolution.

Completing the form of proxy
Notes on completing the form of proxy can be found on the form and should be read carefully before the form is completed.

Action to be taken
If you are unable to attend the meeting or wish to register your proxy votes now in relation to the resolutions proposed, you should complete the enclosed proxy form(s) and return it to the Company’s registrar, Equiniti (Jersey) Limited, at the address shown on the proxy form, to be received by no later than 9.30am on Monday 13 July 2009. A postage stamp is not required for the proxy form if posted in the UK. Returning a completed form of proxy will not prevent you from subsequently attending in person and voting at the meeting.

Electronic proxy voting
You may, if you wish, register the appointment of a proxy and/or voting instructions for this meeting online via our registrar’s website, www.sharevote.co.uk, or, if you have registered for the Shareview service, at www.experianshareview.com. Full details of the procedures are given on those websites. The proxy appointment and/or voting instructions must be received by Equiniti (Jersey) Limited by no later than 9.30am on Monday 13 July 2009.

Please note that any electronic communication sent to the Company or the Company’s registrar that is found to contain a computer virus will not be accepted.

You will need to have your form of proxy to hand when you log on as it contains information which is required during the process.

CREST members who wish to appoint or instruct a proxy or proxies via the CREST electronic proxy appointment service should refer to the notes to the notice of annual general meeting where there is information on how to proceed.

A shareholder who holds shares on behalf of another person may nominate that person (a “nominated person”) to have information rights to receive all communications sent by the Company to its shareholders. Any shareholder wishing to make such nomination should apply to the Company’s registrar, Equiniti (Jersey) Limited, at the address below giving details of the nominated person including their relationship with them.
