Annual General Meeting: 24 July 2019

To holders of ordinary shares

I am writing with details of our Annual General Meeting (AGM), which will be held on Wednesday 24 July 2019 at 9.30am at The Merrion Hotel, Upper Merrion Street, Dublin 2, D02 KF79, Ireland.

We regard the AGM as an important forum for engaging with shareholders, particularly private shareholders, and we welcome your questions. If you cannot attend in person, you may submit questions about the AGM’s business in advance, by email to agmquestions@experianplc.com or on the reply paid question card attached to the proxy form. We will consider all questions and, if appropriate, address them at the AGM, via Experian’s website (www.experianplc.com) or individually.

The notice of meeting and notes are set out on pages 2 to 4 of this document. An explanation of the resolutions being proposed at the meeting is set out in Appendix 1. Voting will be taken on a poll, except for any procedural resolution which may be taken on a show of hands. I encourage you to use your vote by attending in person, voting electronically online or completing and returning a proxy form by post. You may place your proxy form in an envelope addressed to the Company’s share registrars. A postage stamp is not needed if you post the form in the UK and, should shareholders wish, proxy forms may be placed in an envelope and addressed to the Company’s registrars. You should return your completed form as soon as possible but it must arrive no later than 9.30am on Monday 22 July 2019. Returning a proxy form will not prevent you from attending the meeting in person. If you wish to vote electronically, you can do so by registering for the Link Share Portal service, at www.experianplc.com/shares.

Further details of how to vote are included in the ‘Information for shareholders’ section at the end of this document. Shareholders entitled to attend, speak and vote at the AGM may appoint a proxy to exercise their rights in their place. You may appoint more than one proxy, provided that you appoint each proxy to exercise the rights attached to different shares.

The directors have announced a second interim dividend of 32.5 US cents per ordinary share, to be paid on 26 July 2019 to holders of the Company’s ordinary shares on 28 June 2019. To ensure that certain UK shareholders have the same tax treatment on their dividend as if the Company was based in the UK, we have put Income Access Share arrangements in place. The mechanics of these arrangements make it impractical to submit a proposed dividend for approval at the AGM, but the Board has no plans to announce any additional dividend in respect of the year ended 31 March 2019.

The directors consider that all the resolutions to be put to the AGM are in the best interests of the Company and its shareholders as a whole. Accordingly, the directors unanimously recommend that you vote in favour of all resolutions, as they intend to do in respect of their own beneficial shareholdings.

On 29 May 2019, the Company announced that Mike Rogers will succeed me as Chairman effective from the conclusion of the 2019 AGM. I am delighted Mike has been chosen to succeed me as Chairman. I wish him every success as he sets out to lead the Experian Board at this exciting time. It has been a true privilege to be part of such a great organisation, in many different roles, over such a long time period.

Yours faithfully

Don Robert
Chairman

Appendix 1

Explanatory notes in relation to the resolutions to be proposed at the Annual General Meeting.

Resolutions 1 to 14 will each be proposed as an ordinary resolution that will be passed if more than 50% of the votes cast are in favour of the resolution. Resolutions 15, 16 and 17 will each be proposed as a special resolution that will be passed if not less than two-thirds of the votes cast are in favour of the particular resolution.

Resolution 1

The directors are required to present to the meeting the Annual Report and financial statements of the Company for the year ended 31 March 2019 together with the report of the auditor.

Resolution 2

Resolution 2 is an advisory shareholder vote on the Report on directors’ remuneration contained in the Annual Report (excluding the Directors’ remuneration policy set out on pages 100 to 103 of the report) and financial statements of the Company for the year ended 31 March 2019, to provide shareholder feedback to the Board.

Resolutions 3 to 11

Don Robert and Paul Walker will not be put forward for re-election at the Annual General Meeting, as they will retire as directors with effect from the conclusion of the Annual General Meeting. In accordance with the UK Corporate Governance Code, all remaining members of the Board will retire at this year’s Annual General Meeting and, being eligible, will offer themselves for re-election.

As more fully described in the Corporate governance report in the Annual Report and financial statements of the Company for the year ended 31 March 2019, an internal evaluation of the Board was carried out during the year ended 31 March 2019. The evaluation concentrated on the progress on last year’s areas of focus and the resulting actions, as well as agreeing areas of focus for the coming year. There were also separate meetings between each director and the Chairman in relation to their individual performance. The Deputy Chairman and Senior Independent Director evaluated the Chairman, taking account of input from the Chief Executive Officer and the other directors.

The Board concluded that it was operating effectively and that each director was contributing to the overall effectiveness and success of the Group. Accordingly, the Board recommends each retiring director’s re-election as set out in resolutions 3 to 11.

Biographical details of all the directors, including details of their skills and experience, are set out in Appendix 2.

Resolution 12

An auditor has to be appointed at each Annual General Meeting. KPMG LLP has advised of its willingness to stand for re-appointment as the auditor of the Company.

Resolution 13

The remuneration of the auditor may be fixed by the directors or the Company in general meeting. The usual practice is for shareholders to resolve at the Annual General Meeting that the directors decide on such remuneration.

Resolution 14

The purpose of resolution 14 is to renew the directors’ authority to allot new shares and other relevant securities, this year up to an aggregate nominal value of US$30,334,208, which is equivalent to approximately one-third of the total issued ordinary share capital of the Company, exclusive of treasury shares, as at 5 June 2019.

At 5 June 2019, the Company held 61,458,390 ordinary shares in treasury.

The authority sought in resolution 14 is in substitution for all existing authorities, granted in the Company’s articles of association or otherwise, and without prejudice to previous allotments made under such existing authorities. The authority will expire at the conclusion of the Annual General Meeting to be held in 2020 or, if earlier, 23 October 2020.

Resolutions 15 and 16

The UK Pre-Emission Group’s Statement of Principles, as updated in March 2015, supports the annual disapplication of pre-emption rights in respect of allotments of shares and other equity securities, and sales of treasury shares for cash, representing no more than 5% of issued ordinary share capital (exclusive of treasury shares), without restriction as to the use of proceeds of those allotments.

Accordingly, the purpose of resolution 15, which is conditional on the passing of resolution 14 and will be proposed as a special resolution, is to put in place a new authority for the directors to allot equity securities (as defined in the Company’s articles of association) wholly for cash, or sell treasury shares for cash, without offering those equity securities or treasury shares pro rata to existing shareholders, up to an aggregate nominal amount of US$4,550,131, representing approximately 5% of the Company’s issued ordinary share capital, exclusive of treasury shares (and 4.68% of the Company’s issued ordinary share capital, inclusive of treasury shares), as at 5 June 2019, the latest practical date before publication of this notice.

The UK Pre-Emission Group’s Statement of Principles also supports the annual disapplication of pre-emption rights in respect of allotments of shares and other equity securities, and sales of treasury shares for cash, representing no more than an additional 5% of issued ordinary share capital (exclusive of treasury shares), to be used only in connection with an acquisition or specified capital investment. The UK Pre-Emission Group’s Statement of Principles defines “specified capital investment” as meaning one or more specific capital investment related uses for the proceeds of an issue of equity securities, in respect of which sufficient information regarding the effect of the transaction(s) and (where appropriate) the profits attributable to them, is made available to shareholders to enable them to reach an assessment of the potential return.

Resolution 15

The authority sought in resolution 14 is in substitution for all existing authorities, granted in the Company’s articles of association or otherwise, and without prejudice to previous allotments made under such existing authorities. The authority will expire at the conclusion of the Annual General Meeting to be held in 2020 or, if earlier, 23 October 2020.

Resolutions 15 and 16

The UK Pre-Emission Group’s Statement of Principles, as updated in March 2015, supports the annual disapplication of pre-emption rights in respect of allotments of shares and other equity securities, and sales of treasury shares for cash, representing no more than 5% of issued ordinary share capital (exclusive of treasury shares), without restriction as to the use of proceeds of those allotments.

Accordingly, the purpose of resolution 15, which is conditional on the passing of resolution 14 and will be proposed as a special resolution, is to put in place a new authority for the directors to allot equity securities (as defined in the Company’s articles of association) wholly for cash, or sell treasury shares for cash, without offering those equity securities or treasury shares pro rata to existing shareholders, up to an aggregate nominal amount of US$4,550,131, representing approximately 5% of the Company’s issued ordinary share capital, exclusive of treasury shares (and 4.68% of the Company’s issued ordinary share capital, inclusive of treasury shares), as at 5 June 2019, the latest practical date before publication of this notice.

The UK Pre-Emission Group’s Statement of Principles also supports the annual disapplication of pre-emption rights in respect of allotments of shares and other equity securities, and sales of treasury shares for cash, representing no more than an additional 5% of issued ordinary share capital (exclusive of treasury shares), to be used only in connection with an acquisition or specified capital investment. The UK Pre-Emission Group’s Statement of Principles defines “specified capital investment” as meaning one or more specific capital investment related uses for the proceeds of an issue of equity securities, in respect of which sufficient information regarding the effect of the transaction(s) and (where appropriate) the profits attributable to them, is made available to shareholders to enable them to reach an assessment of the potential return.
Accordingly, and taking into account the template resolutions published by the UK Pre-Emption Group in May 2016, the purpose of resolution 16 (which will be proposed as a special resolution) is to authorise the directors to allot equity securities (as defined in the Company's articles of association) wholly for cash, or sell treasury shares for cash, without offering those equity securities pro rata to existing shareholders, up to a further nominal amount of US$4,550,131, representing approximately 5% of the Company’s issued ordinary share capital, exclusive of treasury shares (and 4.68% of the Company’s issued ordinary share capital, inclusive of treasury shares), as at 5 June 2019, the latest practical date before publication of this notice, only in connection with an acquisition or specified capital investment which is announced contemporaneously with the allotment or sale, or which has taken place in the preceding six-month period and is disclosed in the announcement of the issue. If the authority given in resolution 16 is used, the Company will publish details of the placing in its next Annual Report.

In accordance with the UK Pre-Emption Group’s Statement of Principles, the Board confirms its intention that no more than 7.5% of the issued ordinary share capital of the Company (exclusive of treasury shares) will be issued for cash on a non-pre-emptive basis pursuant to the authority in resolution 15 during any rolling three-year period other than with prior consultation with shareholders or in connection with an acquisition or specified capital investment which is announced contemporaneously with the allotment or which has taken place in the preceding six-month period and is disclosed in the announcement of the allotment. If granted, the authorities in resolutions 15 and 16 will expire on the earlier of 23 October 2020 and the conclusion of the Annual General Meeting to be held in 2020.

The Board considers that it is in the best interests of the Company and its shareholders generally that the Company should have the flexibility conferred by resolutions 15 and 16 to make small issues of shares for cash, as suitable opportunities arise.

It should be noted that the articles of association of the Company empower the directors to allot equity securities (as defined in the articles of association of the Company) wholly for cash in connection with a rights issue (as defined in the articles of association of the Company).

Resolution 17
The purpose of resolution 17, which will be proposed as a special resolution, is to put in place a new authority to enable the Company to make market purchases of up to 91,002,624 ordinary shares, being approximately 10% of the issued ordinary share capital of the Company, exclusive of treasury shares, as at 5 June 2019. The Company’s exercise of this authority is subject to the stated upper and lower limits on the price payable which reflect the requirements of the UK Listing Rules and the provisions of Article 57 of the Companies (Jersey) Law 1991. The Company will only exercise the power of purchase after careful consideration and in circumstances where, in the light of market conditions prevailing at the time, it is satisfied that it is in the best interests of the Company and of its shareholders generally to do so and where there would be a resulting increase in earnings per share.

The Companies (Jersey) Law 1991 permits the Company to hold any shares purchased by it as treasury shares, as an alternative to immediately cancelling them. If the Company purchases any of its ordinary shares and holds them as treasury shares, the Company may sell these shares (or any of them) for cash, transfer these shares (or any of them) for the purposes of or pursuant to an employee share plan, cancel these shares (or any of them) or continue to hold them as treasury shares. Holding such shares as treasury shares allows the Company to reissue them quickly and cost effectively and provides additional flexibility in managing the Company’s capital base. No dividends will be paid on, and no voting rights will be exercised in respect of, shares held as treasury shares.

As at 5 June 2019, the Company held 61,458,390 ordinary shares in treasury. As at 5 June 2019, there were options outstanding over 17,354,549 ordinary shares, representing 1.91% of the issued ordinary share capital of the Company, exclusive of treasury shares, at that date. If the full authority being sought under resolution 17 was utilised, so reducing the issued ordinary share capital by an equivalent amount, the figure of 819,023,624 would represent 2.12% of the issued ordinary share capital of the Company, exclusive of treasury shares, at that date.

The Company has included on the proxy form a ‘Vote withheld’ option, so shareholders can abstain on any particular resolution. However, it should be noted that a ‘Vote withheld’ is not a vote in law and will not be counted in calculating the proportion of votes ‘For’ or ‘Against’ the particular resolution.

Any shareholder wishing to make such a nomination should apply to the Company’s registrars, Link Market Services (Jersey) Limited, at the address below giving details of the nominated person including their relationship to them.
